## ***Bí i do Réalta Shamraidh! Become a Summer Star!***

Louth Library Service will run the free national Summer Stars Reading Programme for children in all library branches during the summer months from 13th June to 31st August. All children are invited to join the library and register for the programme.

There will be lots of incentives along the way to encourage reading and a host of fun events are planned throughout the library branches to compliment the programme.

At the end of the adventure, all children who participate are invited to attend a ceremony where they will be presented with their own Summer Stars certificate.

We look forward to meeting lots of Summer Star readers over the coming months!

## Staff Pick

Poverty-stricken Glasgow in the 1980's, A father walks out leaving his wife Agnes and 3 kids. Unable to cope, Agnes turns to addiction. But as her habits and cravings take over, one by one her children leave her to save themselves. Except Shuggie, relentless in hope and full of unconditional love for his mother. All the while struggling to 'act normal' in a cruel, harsh world of Glaswegian masculinity.
